

HERO QUEST

A Band of Thieves
INSTRUCTION
BOOKLET

Notes from Author

A one shot Quest for the semi beginner level player, uses components from the main game system only.

I wrote this so my nephew and I could play a side game, the Heroes have no artifacts but do have a fair amount of gear.

Barbarian is equipped with battle axe and a helmet.
Dwarf is equipped with broadsword, shield and a helmet.

If you don't have two extra Heroes for the Bandits then use two Chaos Warriors instead.

This Quest is a dual Quest for the Barbarian and the Dwarf.
