

SAMPLE QUEST

Hunt for the Missing Artifacts

"Five hundred years before Zargon made his appearance, a convoy carried three mystical artifacts to bolster defenses in the East. The convoy disappeared en route.

"We believe that these treasures were stolen by

maurading Orcs and hidden in the underground passages that you're about to explore.

"The Emperor will allow you to keep the artifacts if you recover them."

NOTES:

The Heroes enter on the Spiral Stairway.

- A) The first Hero to search for treasure in this room will find a potion of healing in the cupboard. The potion will restore up to 4 lost Body Points when consumed.
- B) The first Hero to search for treasure in this room will find a sturdy battle axe among the bones. The battle axe is exactly like the one described on the Cardboard Platform in the Game System.
- C) These treasure chests contain the missing artifacts.

The first Hero to search for treasure in this room will find them, one in each chest: Borin's Armor, Orc's Bane, and the Wand of Magic. Give the Hero the matching Artifact Cards from the Game System.

- D) The first Hero to search for treasure in this room will find 200 gold coins in the coffin.
- E) The first Hero to search for treasure in this room will find 2 short swords under the coffin. They are exactly like the short sword described on the Cardboard Platform in the Game System.
