# Special Notes for the Game Master

This Quest Pack includes spell scrolls as treasure. I have not drawn up special cards for these scrolls. If a Hero finds this treasure, mark it down on his character sheet. The Hero may cast this spell once. Mark the scroll off the Hero's character sheet when he casts it.

The Armory will buy back any item that it normally sells for 1/2 the selling price. Let the Heroes know this before the game begins. You may want to allow the Heroes to take weapons from any monsters they slay. Note that the Armory will not buy back weapons from the Undead, though.

The Map Handout should be given to the Heroes at the start of the Quest.
