Bone Wand

This artifact enables any Hero to control all skeletons in one room for one turn. He can move them and make them attack during this turn. The Hero can make the skeletons attack each other or any other monster in the room. The Bone Wand works only once per Quest.

Fire Ring

Protects the wearer from any 2 Chaos fire spells. Ring disappears after wearer has been protected from the second fire spell.

Magical Throwing Dagger

Always inflicts 1 Body Point of damage when thrown at a monster a Hero can "see." Monster cannot defend. Dagger is lost once it is thrown.

Hightamarish 2

After surviving a devious ambush at a seaside tavern, you found a journal on the body of one of your attackers. It details the journey and orders given to the hunting party by their master Kalcheck, a foul Chaos Lord.

The journal details the route to his fortress in the Grey Mountains. Perhaps it's time to pay this monstrosity a visit and find out why he is trying so hard to find and eliminate you!

*Region: Grey Mountains
Near Axe Bite Pass*

*Take the Quest Card: Under the Moon,
