

## Contents:

- 1 Adventure Design Booklet
- 4 sheets of adhesive labels
- 1 large 80-page character sheet pad

With the Adventure Design Kit you can create your own dungeons in which to trap unwary adventurers. Place foul monsters in ambush, and set deadly traps to destroy the Emperor's accursed Heroes.

The Adventure Design Booklet gives advice on how to design exciting adventures, while the monster and furniture stickers give your maps a highly-finished look.

Finally, the new, larger, character sheets give the character players more space in which to record their money and equipment. It is now up to you, Warlord, to equip your dungeons. The fate of the Emperor's heroes lies in *your* hands...
